

Reflection

Reflect on your journey this year

Academic Year: _____

“We do not
learn from
experience...
we learn from
reflecting on
experience.”

—John Dewey—

Reflection

My successes this academic year.

What worked?

What successes did I have?

Who were 2–3 students that I had positive relationships with?

How did my teaching improve this year?

Reflection

Reflection on my academic year.

What was the hardest day I had this year?

What was the best lesson I did this year?

What brought me joy this year?

What has given me hope?

Reflection

Reflection

What am I most proud of this year?

Who helped me the most this year?

What did I do to connect with families this year?

Which colleague had a positive impact on me this year?

Reflection

Challenges I encountered this year.

What was the most challenging situation I encountered this year?

Which students did I struggle with the most this year?

What are some my goals for the next academic year?

How can I harness what I learned and continue to move forward with it?
